### Neopost USA Donates \$5,000 for Haiti Earthquake Relief

**MILFORD, CT, February 3, 2010** – Neopost USA and its 1,524 employees have donated \$5,000 to the American Red Cross for Haiti Earthquake Relief.

Neopost USA is known for contributing regularly and generously to causes that benefit charities, aid organizations and service groups. Neopost USA President and Chief Executive Officer Dennis P. LeStrange explains that the company's largesse stems from one of the fundamental tenets of Neopost USA's corporate culture which "gives us the opportunity to support the communities in which we do business as well as the good works within those communities."

The definition of "community" is wide and far-reaching at Neopost USA. "We are part of a worldwide organization with a business presence in 15 countries."

LeStrange says. "Our employees are extraordinarily compassionate and justifiably proud when their company can present itself as a caring corporate citizen, especially in a global context."
